Sub: Propound Gratitude and sincere thanks for the great and grand support extended by Government of India for revival of BSNL under revival Package 2.0.

Respected Sir,

We, the Sanchar Nigam Executives Association (SNEA BSNL), is the Association representing more than 12000 Managers, Officers and Engineers who are holding very important Portfolios in BSNL all over India with its existence in each and every District.

We are really feeling proud and enlightened by the support extended by The Government of India vide revival Package 2.0 at the time when BSNL is moving ahead with certain positive growth as per support extended by The Government of India through revival package 1.0 in 2019. Now this Revival Package 2.0 of Rs 1.64 trillion will definitely give new energy and life to BSNL and it will be a profit making PSU in days to come.

This package 2.0 will help BSNL to improve its services to the high expectations of customers which is the need of time. We feel confident that with such great and grand support by The Government of India, BSNL will establish the trust shown by The Government of India as its Strategic PSU. We further feel that this support will help BSNL and its executives to regain its social and operational status by providing world class Telecom Services at each and every corner of India.

We hereby recognise and underline the great initiatives taken by you as Hon Secretary DoT and your team who have taken day night efforts for over the year in getting revival packages for BSNL. Your name is and will be written in Golden letters in the History of BSNL and DoT and we the officers of BSNL will remain highly obliged for extension of such support to BSNL now and in future also.

Sir, on behalf of thousands of the Officers in BSNL, I as General Secretary of SNEA BSNL, wholeheartedly convey our sincere thanks and gratitude from bottom of heart to **The Government of India and Department of Telecommunications** and assure that we the officers of BSNL stand behind CMD BSNL like rock in the building trust shown on him and on BSNL by the Government of India for providing world class service all over India.

Sir, on this great occasion, we will like to meet and convey our gratitude towards Government of India and your honour personally. We will be highly obliged if suitable time is spared from your busy schedule and short meeting is granted to us for the same.

With Warm Regards,

Sincerely Yours,

M. S. Adasul
