

SANCHAR NIGAM EXECUTIVES' ASSOCIATION.

CO-ORDINATION COMMITTEE

ASANSOL SSA

NO;- SNEA/CGMT /Memo/ 19-20 /JULY /5

Dated at Asansol, the 19/7/19

To,

The Chief General Manager ,Telecom.

Bharat Sanchar Nigam Limited . West Bengal Telecom Circle .

Sub; - Memorandum submission before Hon'ble CGMT, Kolkata ,on prevailing burning issues.

Respected Sir,

Excuse us for encroaching upon your highly precious times while on administrative visit at Durgapur. Sir, We are fully aware about the present scenario of BSNL , pertaining to revenue and expenditure . But in order to maintain the services and to execute the entrusted works the basic requirement and infra. support are un avoidable and exigent. This SSA being one of the largest SSA in WBTC have been facing lot of troubles and hazard for last few months and now it has become next to impossible to bear . There are acute fund crunch, mere stores supply, less hired vehicle , no vendor for OFC and UG cable maintenance , No vendor for Power plant module repairing , no AMC for computer mtnce, shortage of fund for fuel and so on.

Under the circumstances the field officers are in a very embarrassed and awkward position in day to day works . Besides the field units are suffering from various problems pertaining to Civil and electrical set back which are also being shorted out and some how managed by the field officers without any support to avert un wanted situation and local un rest. We are benignly placing the following few points for your due consideration and perusal.

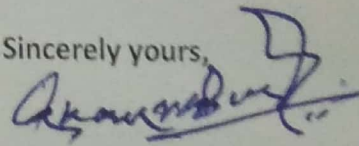

1. Payment of Out standing energy bills and House rent Bills.
2. Sanction and payment of monthly maintenance expenditure through Ty. Adv. in time.
3. Finalization of Tender for OFC and UG cable maintenance and store transportation.
4. Provision of New Earthing in Exchs. where NGN is going to be migrated.
5. Hired Vehicles problems to be solved.
6. Pay fixation cases of some officers(SDE) are to be settled which is pending since long at this SSA.
7. Letting out of unused /un allotted Qrtrs. to willing candidate / establishment after renovation.
8. Posting of regular AGM s in Asansol SSA or by officiating arrangement urgently.
9. Permission from NHAI for laying of U.G cables and OFC for restoration & Mtnce works .
10. Stores and tools meant for Transmission sections are to be made available at SSA.

We assure best co-operation to our beloved organisation all time for the betterment of services.

We hope and firmly believe that your pragmatic and dynamic role will lead us to achieve our goal .

Thanking you ,

Sincerely yours,

(KAJAL KR. CHAKRABORTY)
GOVERNOR
