Subject: Notice for organizational actions protesting against the unprecedented and unethical decision of demoting basic cadres of JTO/JAO and SDE/AO equivalent cadres by approaching lower pay scales of E1 & E2 by DoT and non-finalization of long pending HR issues by BSNL Board, regarding.'

Respected Sir,

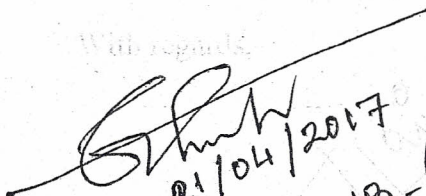

This is for your kind information that several HR issues of the Executives of BSNL are lying pending for a long period of time like implementation of standard pay scales to JTO/JAO/Equivalent cadres and SDE/AO/Equivalent cadres, Superannuation benefits to the BSNL recruited employees, releasing of promotion orders from JTO(T) to SDE(T) in DPC/LDCE quota, scrapping of DR DGM recruitment and other issues to BSNL management. Several persuasion have been made but BSNL management and DoT are indifferent to solve the issues.

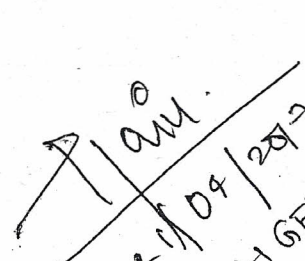

In this situation, leaders of Joint Forum decided to go in for massive countrywide organizational action programs commencing on 25th April 2017 onwards protesting against the move of DoT to degrade the scales of JTO/JAO/Equivalent cadres and SDE/AO/Equivalent cadres. Joint forum already issued notice to Secretary DoT and CMD BSNL on this Trade Union programs stating demands and program schedule (Copy attached for ready reference).

We the members of Joint Forum in West Bengal will observe the same Trade Union programs on those days in Circle Head Quarter at Kolkata and SSA Head Quarters accordingly for immediate finalization of long pending HR issues by BSNL Board and unjustified act of DoT against the decision for demoting the basic cadres of JTO and SDE equivalent Executives.

Hope, you will also take up the issues to the competent authority to minimize the frustration of the Executives and motivate them to perform their duties in working fields.

With regards,
