To
The Honorable Circle Secretary,
All India BSNL Executives Association,
West Bengal Telecom Circle

Sub: Appeal for Strengthening the Unity of Executives by joining Sanchar Nigam Executives Association towards 'One PSU One Association' reg.

Dear comrades,

I hope that this letter finds you all well.

I know how much effort you put in being the sincere flag bearers of the mighty AIBSNLEA association in WBTC for the interest of your bonafide members. So do we. But at times, we both must have observed that because of our different banners, we both fail to achieve our demands from the management who take the leverage of our friction!

So maybe this is the right time that we all merge under the common banner of SNEA and represent our members in a stronger and cohesive way in front of the management at OA, BA and Circle and more importantly at CHQ Level. This will be also commensurate with the '**One PSU One Association**' stand which will be beneficial for all the executives presently serving in BSNL. Also, please understand that coming under the common banner of SNEA does not imply that coming under us or the previous portfolio holders of SNEA. Rather, on behalf of our association, I assure you that we will be happily share our portfolios with you and eager to work with as well as under your able leadership.

Time is short as the Membership change window is going to close by 15th July. Let us make ourselves stronger and united to battle for our demands with the management.

In anticipation that this letter will be considered in the positive spirit for creating a WIN-WIN situation for all of us,

With best regards,

Somenath Ghosh
