Sir,

**RE: COVID-19 Vaccination for the BSNL employees**

**Ref: No. 13 – CM/2021 dated May 20, 2021 from Hon. CM, West Bengal**

We are extremely thankful for the anxiety expressed by our Hon. Chief Minister of WB, Smt. Mamata Banerjee vide above reference where she categorically mentioned the urgency for vaccination against COVID-19 on priority basis to the employees engaged in public services.

We hope that you will appreciate the service that we have rendered from the day one of this pandemic in maintaining the telecom infrastructure as telecom being an essential service. However, as the second wave of COVID-19 has hit India hard and currently the whole country is reeling under this unprecedented pandemic, BSNL employees being no exception to this situation are also facing the wrath while serving their duties to maintain the essential service. Hitherto there are more than thousands of employees infected by the deadly virus where as 150 plus employees have succumbed to untimely death.

**Hence, we, the biggest Executive Association in BSNL, request your good office to immediately recognize all the BSNL employees in West Bengal as FLW and arrange for their inoculation at the earliest.**

In anticipation of your cordial consideration,

With regards,

**TAPAS GHOSH**  
**Circle Secretary**
