No – WBTC /Restructuring /Elect. Wing/2021-22

Dated – 15.02.2022

To  
The Director (HR)  
BSNL, Corporate Office  
Janpath, New Delhi - 110001

Sub – Allocation and Posting of executives of Electrical stream in WBTC  
post VRS restructuring - reg.

Ref – BSNLCO-EW/32(11)/3/2021-Elect.Works dated 09.12.2021.

Sir,

Kind reference is invited to above subject and letter vide which Circle wise and BA wise location of SDEs (Elect) and JTOs (Elect) has been communicated. In this regard, in view of operational requirement of Electrical works in West Bengal Circle, following points are submitted for your consideration and posting of personnel in the vacant posts.

(i) The post of EE(E) shifted to Gangtok from Siliguri may please be considered for relocation at Siliguri. This is essential because Electrical Division Siliguri is presently looking after electrical works of all of North Bengal area including 6 SSAs in Siliguri BA and Gangtok SSA. From Electrical Division Gangtok, it will be difficult for EE(E) to supervise the EMS work of these SSAs, whereas from Electrical Division Siliguri, it will not be difficult for EE(E) to look after works of Sikkim being a small SSA/ Circle.

(ii) The posts of EEs (E) Asansol & Siliguri are laying vacant for a considerable period causing difficulties in execution & supervision of electrical works under Asansol & Siliguri BA area. These posts may please be filled up to enable smooth execution of electrical works.

(iii) Post of SE (E) in WBTC was not filled up after retirement of earlier incumbent on 31.12.2019. At present, Sri Malay Ghosh SE (E), CTD is given additional charge of this post who will also superannuate on 31.03.2022 (A/N). Considering heavy work load in WBTC circle including inviting and finalization of tenders of service based O & M works of 97 Exchanges where electrical wing is entrusted with the O & M works and other responsibilities related to monitoring of Oorja, Ojas and NFS project works etc. the post of SE (E) WBTC is needed to be filled up urgently.

(iv) SDEs(E) /JTOs(E) have to supervise the maintenance and operating issues of EMS equipment of SSAs and attend sites on critical breakdowns. In connection with project Ojas works field SDE(E) /JTO(E) has to also frequently visit various sites, CESC / WBSEDCL offices etc. Therefore at least one JTO(E) /SDE(E) is each SSA is very much essential. It is therefore requested that the allocated posts of SDE(E) may be enhanced from 07 nos to 8 nos and the posts of JTO(E) may be enhanced from 10 nos to 12 nos.

West Bengal Circle shall be grateful to receive your favorable consideration on the submission made above.

With warm Regards,

  
(Madhu Arora)  
CGM, WBTC, Kolkata.
