**Subject: Timely Payment of Salary and forthcoming Hunger fast w.e.f. 08.03.2021:
Decisions of CEC regarding.**

It is a great pleasure to inform you that a CEC Meeting has been conducted in WBTC at CTO Building, Kolkata on 13.02.2021 successfully. Almost all the zones under WBTC were represented by their ZS/ZP and other CEC representatives. In the said meeting, some of the common points raised by the Zonal Secretaries are epitomized as follows:

There are strong grievances from all corners among the members regarding Non timely payment of the salary. All the members in the meeting unanimously decided that our CHQ must propagate this to the management and ensure the timely payment of the salary. It has also been opined that this most pertinent issue must be included in the Charter of Demand in the upcoming hunger fast and given the TOP MOST PRIORITY. To give more prominence to this burning issue, a one day lunch hour demonstration / gherao / strike may be conducted. Liaison may be done with the other Executive / Non Executive associations / unions to show the solidarity among the employees to the management.

2. Regarding the proposal of upcoming hunger fast w.e.f. 08.03.2021, almost all the CEC members of WB including Circle Office Bearers and CWC Members have given the proposal to conduct / observe the said program only at CHQ level and the venue may be at the BSNL Corporate Office. Circle members may observe Lunch / Closing Hour Demonstration at Circle / SSA HQs to show their support to the cause. In this context, it is also to be noted that none of the CEC members is willing to participate in the said program at New Delhi in view of the current COVID-19 pandemic situation.

Thanking you in anticipation.

(Tapas Ghosh)
Circle Secretary
SNEA, WB
