Sir,

With reference to the above mentioned subject matter, you are requested to kindly refer the letters cited under references as above issued by the DOPT, BSNL Corporate Office, Government of WB and other BSNL Circles wherein all the aforesaid organizations took the second wave of this pandemic situation aggravated by this Covid-19 very seriously and keeping in view of the same, has implemented 50% Roster for attendance of their employees in these organizations.

In this regard, we the representatives of associations of this circle moved before you to have a detailed discussion and to acknowledge the present situation of this circle, wherein more than 85 odd officers/ officials have been tested COVID positive in WBTC and two among them sadly demised whereas in this CTO Building alone about 15 peoples were reported Covid-19 positive and one of them has been demised and numbers of other employees are under testing supposed to be Covid positive. Hence, the situation is very bad and serious and for which employees are very fearful .

Upon submissions of the above before you it was requested you to kindly implement 50% Roster duty in the circle immediately so that the further spread of this Covid effects may be minimized and to save the employees working under you..
