Sub:- Rotation of Executives.

It is seen that number of executives are working on a same post with same type of work for years together. This is resulting monotonous job, non-challenging environment as well as depriving learning of new responsibility and technologies.

All Vertical heads, BA heads and SSA heads may ensure that the job rotation is done for the long staying executives. The criteria may be taken as per local convenience to maintain continuity.

The compliance may be given this month in this regard..
