Sub: Inordinate delay in EPP upgradation

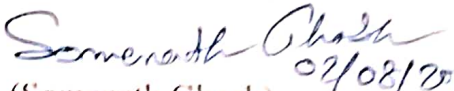

Respected Sir,

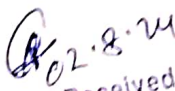

This is to bring to your kind cognizance that in recent days, there has been inordinate delay in the EPP upgradation in this circle.

As per the BSNL CO ND guidelines, such EPP upgradation should be done in 6 months advance. But in contrary to that, some of the executives are not getting their EPP upgradation for more than one year as good number of executives were left out during the last DPC held in the month of March'2024. As a result all the affected executives are suffering monetary loss and complaints are coming to us from all corners.

In this regard we pursued number of times with concerned authorities, but not yield any positive result till date.

Hence, SNEA WB requests your kind intervention in the matter for the resolution in a time bound manner.
