

Dear Colleague,

We take this opportunity to congratulate you for your overwhelming response in the recent Executive Membership Verification held on 18.08.2020 albeit this pandemic and lockdown. This really reflects your passion, sincerity and devotion towards the company as well as its executive fraternity. By continuing this alacrity, we believe that a new era in this company will be ushered in the near future and our beloved company will again cherish its lost glory....

We hope they will be able to fulfill all their promises and accomplish all the unfinished jobs for the welfare of the executive fraternity hitherto. Once again, on behalf of SNEA we assure them of our positive and constructive role for the settlement of the issues related to executives in BSNL and overall BSNL itself....

At the conclusion, we express our sincere gratitude to all the executives of WBTC, ETR, ETP, TF, TS, Civil, Electrical, NCNGN and ITPC for giving maximum number of votes for SNEA and taking it to the first position in West Bengal Circle.
