Bharat Sanchar Nigam Limited
8, Red Cross Place,
CTO Building (1st Floor),
Kolkata-700001

Subject: URGENT COVID-19 VACCINATION FOR BSNL WBTC EMPLOYEES

This is to draw your urgent attention to the ongoing second wave of COVID-19 pandemic and its serious implication on the health and safety of the BSNL employees.

As you will appreciate that from the day one of the pandemic last year BSNL employees have taken front line role in maintaining the overall telecom infrastructure. The endeavour has also resulted in the upward trend in revenue collected last year. But even after several petition, no insurance or any other welfare measure for the employees has been taken by the management till date.

Recently the COVID-19 vaccination program has been undertaken by the GOI on pan India basis. As the frontline warrior in this war against the pandemic, BSNL employees must also get the due vaccination for their health and protection.

Hence it is requested to you and your good office to take up necessary liaison with WB Govt. Health Department and arrange for the Vaccine for all the employees under WBTC urgently in view of the second wave of the pandemic.

Thanking you in anticipation,

(Tapas Ghosh)
Circle Secretary
SNEA, WB
