Dated 14/11/2014

To,
The Chief General Manager,
Eastern Telecom Region,
Kolkata..

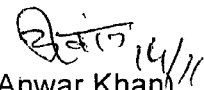

Sub:- Hiring of fibers from M/s RailTel on swapping basis.

Ref:- A holistic analysis report prepared by SNEA(I) on deteriorating network performance in Eastern Zone.

This is with reference to the holistic analysis report on deteriorating network performance in eastern zone (enclosed) prepared by Sanchar Nigam Executive Association (India), West Bengal Circle, where in it is proposed by SNEA (I) to hire one pair of fiber from RailTel for a period of two years or completion of OFC laying work by ETP/NETF whichever is earlier in the following routes:-

- (i) Kolkata to Varanasi
- (ii) Kolkata to Raipur/Nagpur
- (iii) Kolkata to Vijaynagaram

In the matter it is requested to offer your comments on the above proposal of SNEA (I) and if the said proposal is viable please send detailed justification for hiring of fiber pair from RailTel on swapping basis as the MOU signed between BSNL & RailTel on 3rd Sept. 2010 has been renewed for another three years from the date of expiry of original MOU by signing an addendum.
